Care & Maintenance

Your PERFGUARD Security System will require regular maintenance to remove contaminants caused by pollution, industry, salt and climatic conditions. Regular maintenance with "PowaWash" is required to comply with your PERFGUARD 7 year warranty. Abrasive cleaners and harsh detergents are not recommended as these can scratch or damage the surface area.

Warranty

PERFGUARD product warranty is for 7 years from the date of product installation (conditions apply). This warranty is to the original purchaser providing that the product care and maintenance recommendations along with the warranty conditions have always been complied with during that period.

Refer to "PERFGUARD Perforated Mesh Security System Warranty" for full details.
